

## Hongkong International Terminals Limited

Hongkong International Terminals (HIT) is the largest container terminal in Hong Kong. With a strong emphasis on productivity and efficiency, HIT is committed to the development and implementation of forward-looking, service-enhancing technology.

HIT is a member of HPH Trust, the world's first container port business trust listed in Singapore. HIT is also a part of HPH's global network of port and logistics operations, and continues to have access to services and resources enjoyed by companies within the HPH Group.

HPH, a subsidiary of the multinational conglomerate Hutchison Whampoa Limited, is the world's leading port investor, developer and operator.

### Engineer / Engineer Trainee - Equipment Maintenance

#### Responsibilities:

- Plan, execute and monitor all engineering, maintenance and repair works for the container handling equipment
