Dear Sir or Madam:

I am immensely grateful to CUHK Convocation for granting me the Scholarship, which has paved the way for my enriching postgraduate experience! As I embarked on this journey at The Chinese University of Hong Kong, I found myself immersed in a vibrant academic environment that fostered both personal and professional growth.

My postgraduate life at CUHK has been nothing short of transformative. From the moment I stepped onto campus, I was surrounded by a community dedicated to nurturing intellectual curiosity and excellence. The rigorous academic curriculum challenged me to expand my horizons, delve deeper into public policy, and push the boundaries of my knowledge. In-class discussions and presentations have been instrumental in shaping my postgraduate experience. The emphasis on participatory learning has not only enhanced my understanding of the course material but also honed my critical thinking and communication skills. Engaging in discussions with peers and presenting our ideas in a structured manner have been key components of the academic discourse, allowing me to refine my perspectives and appreciate the diversity of thought within the CUHK community.

The brilliant lectures delivered by esteemed professors have been a cornerstone of my academic journey. The depth of knowledge, enthusiasm, and real-world insights shared by these experts have added an extra layer of richness to my learning experience. CUHK's commitment to academic excellence is reflected in the caliber of its faculty, who not only excel in their respective fields but also demonstrate a genuine passion for teaching and mentorship.
